October 2008 Edition

United Bikers of Maine Member of the Year Elaine Morev

Elaine was an important organizer and / or participant in all of Hancock County's events over a period of 6 years or more. We as a county could not have survived at the present level if not for Elaine's dedication and hard work. She produced an outstanding newsletter and kept the county informed while conducting her duties as Secretary and Newsletter Editor.

As anyone in any type of leadership position knows, you are only as successful as the people that surround and support you.

Elaine is one of the few people I have encountered that has the burning desire to excel in every endeavor they undertake. If one person had taken on each of the tasks and commitments that Elaine undertook during her terms as Area Rep the outcomes could not have been more positive. The successes that I and Hancock county UBM have enjoyed are a direct result of Elaine's hard work and dedication.

Elaine started a scholarship fund for 2 high school graduates in Hancock County each year and serves on the selection committee to award these each year. This fund is supported and funded by poker runs established and conducted by Elaine. At this time the fund is solvent for the next 3 years.

Elaine also took upon herself the task of sending renewal letters to all county and incentive members when their membership renewal was due for a period of one year and kept accurate records indicating well over a 90% renewal rate for the year. As a result of Elaine's work UBM Membership Executive Assistant Kathy Hodnett has started a similar endeavor at the state level resulting in a growth of membership of over 700 in the past few months.
Congratulations Elaine

A Message from the County Director

I would like to congratulate Elaine Morey for being chosen UBM’s Member of the Year!
Without her dedicated hard work and help Hancock County UBM would not be in the position we are in today.
Thanks and congratulations.

There is only one person from the entire UBM membership chosen for this award each year, and for the first two years of this award both outstanding members chosen were from Hancock County, Joe Hanson and Elaine Morey.

I would like to thank everyone from participants to the folks who helped plan and carry out all of our events during the summer. We had a very successful season although attendance and financial gains were down a bit from previous years. The Blue Hill Fair was a success again this year and it was a great time to see many folks that we only see at that time of year. This year’s winner of the toy raffle was Beth Grant, congratulations!

The toy Run was rained upon again for the second year in a row and attendance was probably at an all time low. If anyone would like to donate toys that could not make the ride they can be dropped of at the WHCA office in Millbridge or contact me or one of the county Area Reps and we will arrange to get them to the children of Hancock County that could use them.

As fall approaches we must stay vigilant, with the upcoming legislative session I am sure we will have issues that will require our attention. Our motto is once again shifting to “Education not Legislation” I would like to welcome A&J Motorcycle Safety School to Hancock County. Co-owners and instructors Terry Atwood and Larry Jobe have opened their new training location at 66 Heritage Park Rd. Bucksport, ME. and can be reached at 567-3752 or 354-3660 www.AandJmss.com They offer the Basic rider course, permit course-MMSEC, and the experienced rider course.

Our county meetings are held on the last Tuesday each month at Pats Pizza in Ellsworth at 6:30pm. Anyone with issues or ideas for the future please attend the meetings or contact me. We will be scheduling events for 2009 very soon and will be looking for new ideas and help.

Remember: The three things that can’t be trusted: a cook, a fart, and the rearview mirror.

Goldie Perkins

Officers meeting 10-14-08 Minutes

Attendance –
May Grindle, Dave Crockett, Scott Grindle, Joy Froding, Bobbie-Jo Rice, Murial Murray, Michael Hallet, Don Rice, and Goldie Perkins

At the officers meeting discussion was held for upcoming events for 2009.

We will be presenting the list for discussion, additions or removals, and approval at the October County meeting on Tuesday the 28th. We will need to have this done prior to the November state meeting to be included on the state calendar. Please consider taking on an event this year, David and I can not continue to commit the time and resources that we did last year. Most of the ground work and information is in place for most of our events. We will help anyone that wishes to run an event with guidance and information. Many events and rides are small and relatively easy to organize. To stay strong we need assistance!

Respectfully Submitted By,
Goldie Perkins, County Director

AREA REP. NEWS

We have lost Dawn King as an Area Rep and news letter editor. Due to her job just keeping her busier then the norm. We will all miss her help.
On the other hand we have 3 new Area Rep’s. We would like to welcome: Donald Rice, his wife Bobbie-Jo and Scott Grindle. So, if you see these new Area Rep’s around say Hi to them. As for the News letter Mary-Ann and May will be filling until we can find someone that wants to do it or maybe one of them will keep doing it.....

COUNTY SECRETARY

We still need a secretary. If anyone is interested contact Goldie Perkins.

5% of my commission will be donated to Hancock County UBM, to use as they see fit, whenever any UBM member or anyone mentioning this ad, uses me as their agent when buying or selling real estate.

For my friend John Higgins, who we miss everyday
